1.Login the system
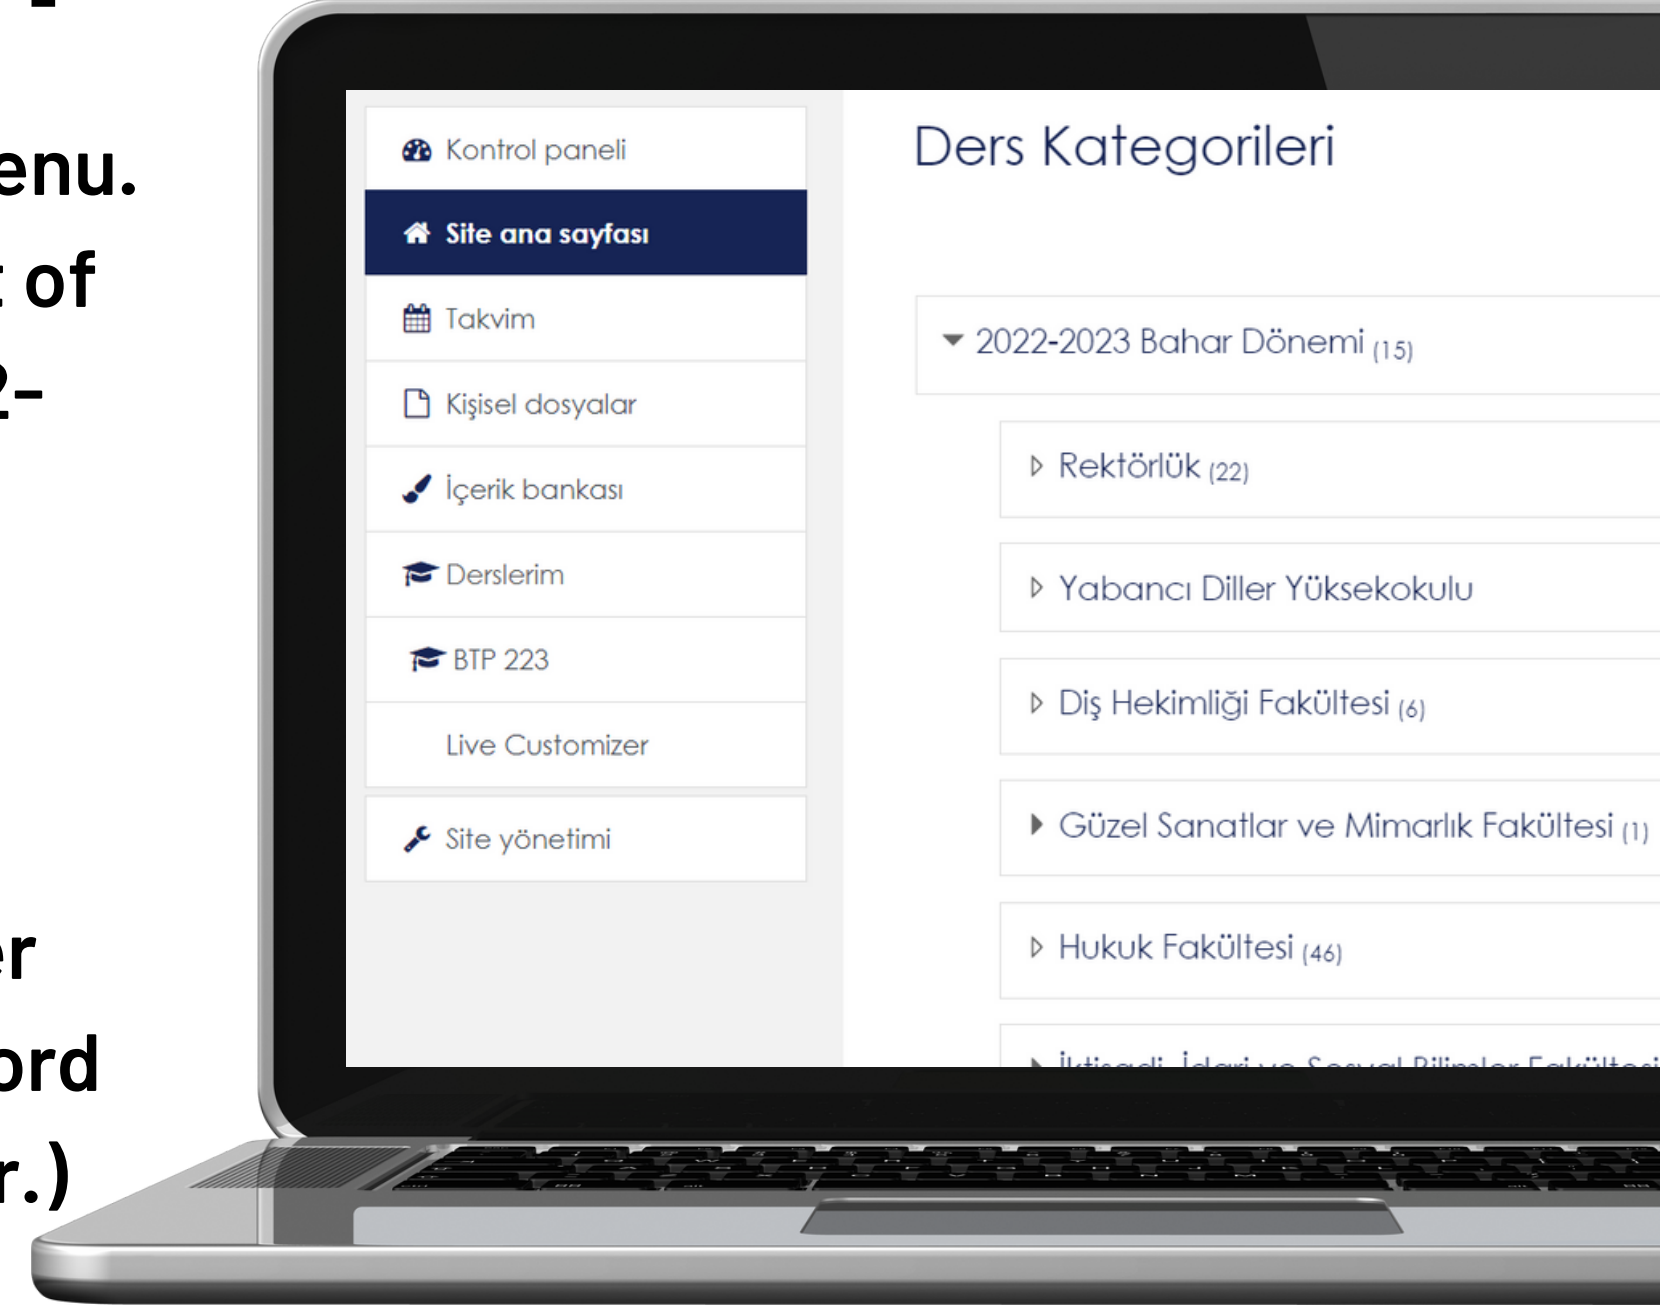

LMS Adress: lms.antalya.edu.tr

Username: name.surname

**Password:** Same as e-mail password

2. Course Registration

- Click on the "Site home page" title from the menu.
- Under the heading of Course Categories, a list of all our faculties and departments for the 2022-2023 Spring Semester is opened.
- Relevant courses are added from the list of courses opened by selecting the faculty and department.
- When the course page is opened, the "Register me" button is clicked. (If a registration password is requested, you should contact your lecturer.)
